Knocks Boer Out in Eleventh Round: Unholz Never Had a Look In.

CHAMPION REFUSES TO PUNISH HELPLESS MAN

Result of Fight Does Not Surprise Fans; Betting at Long Odds.

SAN FRANCISCO, May 14 .- Joe Gana the lightweight champion, added another victory to his long string tonight by defeating Rudolph Unholz, the rugged Boer from South Africa, in the eleventh round. The fight was game all the way through. He systematically beat down Unholz and the referee interfered in the eleventh round, as Unholz was then practically

Although Gans held the fight safe at all stages, he had no easy time in solving the awkward defense of Unholz and in overcoming his natural stamina.

The first knock-down occurred in the fourth round, Gans whipping in a terround, Gans whipping in a terrific left upper-out to the point of the
chin. Unholz got up promptly and came
back full of fight, and although willing
at all times to mix it and never afraid
of the clever Gans, his wild efforts were

mostly unavailing.

In the seventh round Gans knocked Unholz down with a right upper-cut to the cain, and one of the latter's seconds, losing his head tossed a towel into the ring and quickly crawled through the topes. Unholz got up promptly and made a wicked attempt to strike his second, who quickly crawled back outside the ropes, and the fight went on

Question of Time. Question of Time.

From this time on it was only a question of how long Unitolz would be able to stand the punishment that Gans was sending in with both hands. In the tenth round he sent the Boer to the floor again and he got up dazed and unsteady. The unequal combat was prolonged into the eleventh round, when, with short armed joits, Gans sent the Boer down with a wicked upper-cut to the chin. Unholz got up completely bilinded and unable to see his opponent. Gans, seeing the condition of Unitolz, humanely stood aside and Referce Weich stepped in and gave the decision to the champion.

Gans seemed a hit slow in the second round, and Unholz bad slightly the bet-ter of it. His right caught Gans on the law as the latter was jaw as the latter was coming in.

The third round was a bit in favor of Unioiz, who landed some good punches, while Gans several times cleft the air with misdirected arm swing.

Strikes His Gait.

The fourth was Gans's round. He floored Unhold with a left upper-cut and the Boer went down for the count of five. Gans appeared to be striking his gait at this stage of the contest.

In the fifth Gans had solved the Boer's style of fighting and easily held his man aff at the same time occasionally planting his left to the face. It was Gans's round.

In the sixth, the Boer fought back strongly, and did not appear to be in the east distressed from Gans's fusiliade. It was Gans's round.

At the end of the seventh Gans had a big lead and it looked at this stage as the would be easy sulling, although the same time occasionally planting for sweepstakes.

Gans beat his man hard in the eight round, and the Boer was compelled to stall to avoid being sent to the floor. He seemed a bit weak as he took his chair. The bell rang with Gans having easy honors in the ninth.

In the tenth, Gans floored the Boer for the count of nine with a right in the pit of the stomach. Unholz came up as strong as ever.

In the eleventh, Gans floored Unbolz and the latter came up so groggy and lazed that he could not see. The referee then stopped the fight and declared Gans the winner.

Interest in Track Meet.

The State track meet, which is to be held on Cummings field next Saturday, promises to be the most interesting in the history of State athletics, although it is a recognized fact that the University of Utah feels quite certain of securing the first place. In the two dual meets which have been held between the university and the Aggies and with the university and the Aggles, and with the B. Y. U., the local institution has come out way ahead. However, it is also true

OLYMPIC COMMITTEE SECURES FAST TEAM

NEW YORK, May 14.—Following the Pacific const tryouts which were held Saturday afternoon at Stanford university in California, members of the Olympic committee are jubilant over the fact that everything now points to a winning team to represent the United States in London, in July.

"The only thing that is worrying us now," said James E. Sullivan, secretary of the committee, "Is the picking of the team. That is a hard problem Within the past month reports have been received from all over the country stating that some athlete has been breaking a world's records in practice. If these reports are true, there will be many upsets when all the tryouts are held, and perhaps some of those who were looked on as sure winners will of necessity be left at home."
